LS-EXT-SUR-CORNER

AL6063-T5

Made in Canada

Description

The LS-EXT-SUR-CORNER is an industry standard

- Robust aluminium construction dissipates heat from LEDs
- Nice under cabinet lighting or low-profile applications .
- The opal lens dissapates the light perfectly

The advantage in choosing the LS-EXT-SUR-CORNER

Wires can come out the end or underneath the extrusion
This makes for a clean surface

LED Tape

Compatible avec les
rubans de 10mm de large
